FREE ART SESSION TO COMMUNITY GROUPS

Over September and October we are offering community groups the opportunity to enjoy a tailored art-making day with the Aboyne Artist in Residence Stéphanie Vandem.

Groups of up to 12 participants can book and enjoy a day of clay-play, drawing fun or mask-making adventures.

Sessions take place on a Monday any time from 10am to 3 pm at our well-resourced studio at the Aboyne & Mid-Deeside Community shed.

The shed has a kitchen and a social area which makes this a lovely opportunity for a day of art, food and socialising!

These sessions are heavily subsidised and include materials.

Donations of £1 per participant to support the project are encouraged!

Help with transport with the support of MDCT may be available upon request.
